DISASTER RECOVERY CENTER OPENS IN COBB COUNTY

ATLANTA—A Disaster Recovery Center (DRC) operated by the State of Georgia and the Federal Emergency Management Agency (FEMA) opened today in Cobb County for those affected earlier this week by severe storms and flooding.

The DRC is located at The Threadmill, 5000 Austell/Powder Springs Road, Suite 151 in Austell, and is open from 8 a.m. to 7 p.m. seven days a week until further notice.

People who suffered losses can get person-to-person assistance at the centers from specialists skilled in many disaster-related subjects.

Disaster officials ask that before visiting the centers, people first apply for assistance by registering online at www.DisasterAssistance.gov or by calling **800-621-FEMA (3362)** or **TTY 800-462-7585**. The toll-free numbers are staffed seven days a week, 7 a.m. to 10 p.m. Help in all languages is available.

Once registered, disaster recovery specialists at the recovery center can check an individual's case, answer questions about their claim, or review information needed to process their claim. Recovery specialists also can supply contacts for other programs that may be able to help.

U.S. Small Business Administration (SBA) representatives will be at the DRC to answer any questions about the SBA's low-interest disaster loan program for homeowners, renters, businesses of all sizes and private non-profit organizations. These loans are to repair or replace real estate and/or personal property damaged by the storms and flooding.

Representatives will help complete and accept SBA disaster loan application. Anyone not able to go to a DRC should call the SBA Customer Service Center from 8 a.m. to 6 p.m., Monday through Friday, and Saturday and Sunday, 8 a.m. to 4:30 p.m., EST, toll-free at 800-659-2955 for information and assistance, or visit the SBA Web site at www.sba.gov/services/disasterassistance or send an email to disastercustomerservice@sba.gov.

FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.

FEMA's temporary housing assistance and grants for public transportation expenses, medical and dental expenses, and funeral and burial expenses do not require individuals to apply for an SBA loan. However, applicants who receive SBA loan applications must submit them to SBA loan officers to be eligible for assistance that covers personal property, vehicle repair or replacement, and moving and storage expenses.
